

TRUPTI & PALLAVI WESA VKAR OF SPACE DESIGNER

*Society Interiors* is an informative and organized window into the architecture and interior design world. It gives a complete insight to the industry and contemporary design. *Society Interiors* has successfully managed to capture the creativity of various designers immaculately. We would like to thank *Society Interiors* for the excellent coverage of our projects in their magazine. It is a huge motivation to see one's efforts being appreciated. It is an absolute pleasure to be associated with the magazine.

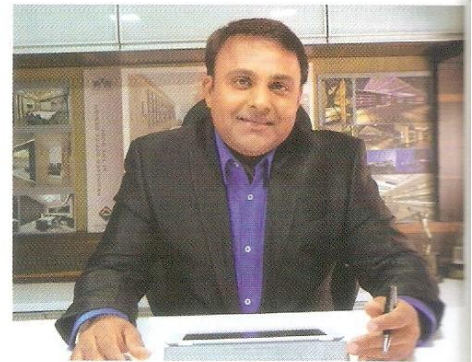

MANISHI AGGARWAL AND APOORV SINGH, DESIGN DIRECTORS, DESIGN COSMOS

*For us, Society Interiors is a ready reference for various styles of interior design being practiced across the country. It brings together different scales and types of projects on single platform and thus makes for a very interesting and stimulating read. We have been associated with the magazine for sometime now. One of our prestigious corporate work space designs was covered in the September issue. We had a great experience working with the team that has an extremely professional and friendly attitude.*

AMIT PORWAL, DIRECTOR OF ICON PROJECTS INSPACE PRIVATE LIMITED.

First and foremost let me take this opportunity to compliment you for completing 18 glorious years. To me, *Society Interiors* is like a prism that reflects all colours of the design industry in the magazine. Our association with *Society Interiors* has lasted for more than eight years. We find the magazine to be updated and can be vouched for holding a leading readership role in the industry. We find the team to be very courteous and prompt in their interaction. It feels good when they appreciate our work by publishing it.

ARCHITECT JAYPRAKASH AGRAWAL OF AGRAWAL & AGRAWAL ARCHITECTS, PLANNERS & INTERIOR DESIGNERS:

*Society Interiors keeps us updated on the latest trends in design and architecture. It is important that the client is well-informed and has good taste. Society Interiors has helped people get educated on good styles.*
